Dear Brother Chalk:

The personal work following the placing of the ads and receiving the contacts is most important, as you well know. We are gratified when this work is done so promptly as you did. It is needless to say that we are thrilled with the results.

The association with your congregation July 23 will indeed be a blessing to me. I also regret that I will not have the privilege of spending some time with you. The Lord willing, this fellowship will be granted.

In Christian Love,

Paul Hunton
